

First Penance/First Holy Communion

2011-2012 Registration Form

Registration open to:

Children who have been baptized Catholic, who will be age 7 or older at the time first penance preparation begins (October 2011), who have already received one year of Catholic religious education, who are registered parishioners of St. Alphonsus parish. If your child is registered in St. Alphonsus Parish School but your family attends a different parish, you should register them in that parish for sacramental preparation and celebration. Archdiocesan policy requires all parish children whether public schooled, private schooled or home schooled to attend the first penance and first Holy Communion preparation program set out by their pastor as one parish group. If your family has special needs it is your parental responsibility to approach the parish office in a timely and respectful manner to assure the preparation of your children according to the policies set out by the Archdiocese of Seattle. To be Catholic is to participate in the sacramental life of your Catholic parish community. All Special considerations must be requested by the first day of class.
